Wyandotte Creek
GROUNDWATER SUSTAINABILITY
AGENCY

The Basin Setting project is developing portions of the Groundwater Sustainability Plan (GSP) in each of the three subbasins in Butte County: Vina, Butte, and Wyandotte Creek.

The Wyandotte Creek Subbasin workshop will include presentations of draft results on:

- Water supply & demand
- Land use trends
- Geology & characteristics of the subbasin groundwater system
- Groundwater conditions (elevation and water quality)
- Monitoring Network
- Data Gaps

There will be an opportunity for public comment and discussion.
